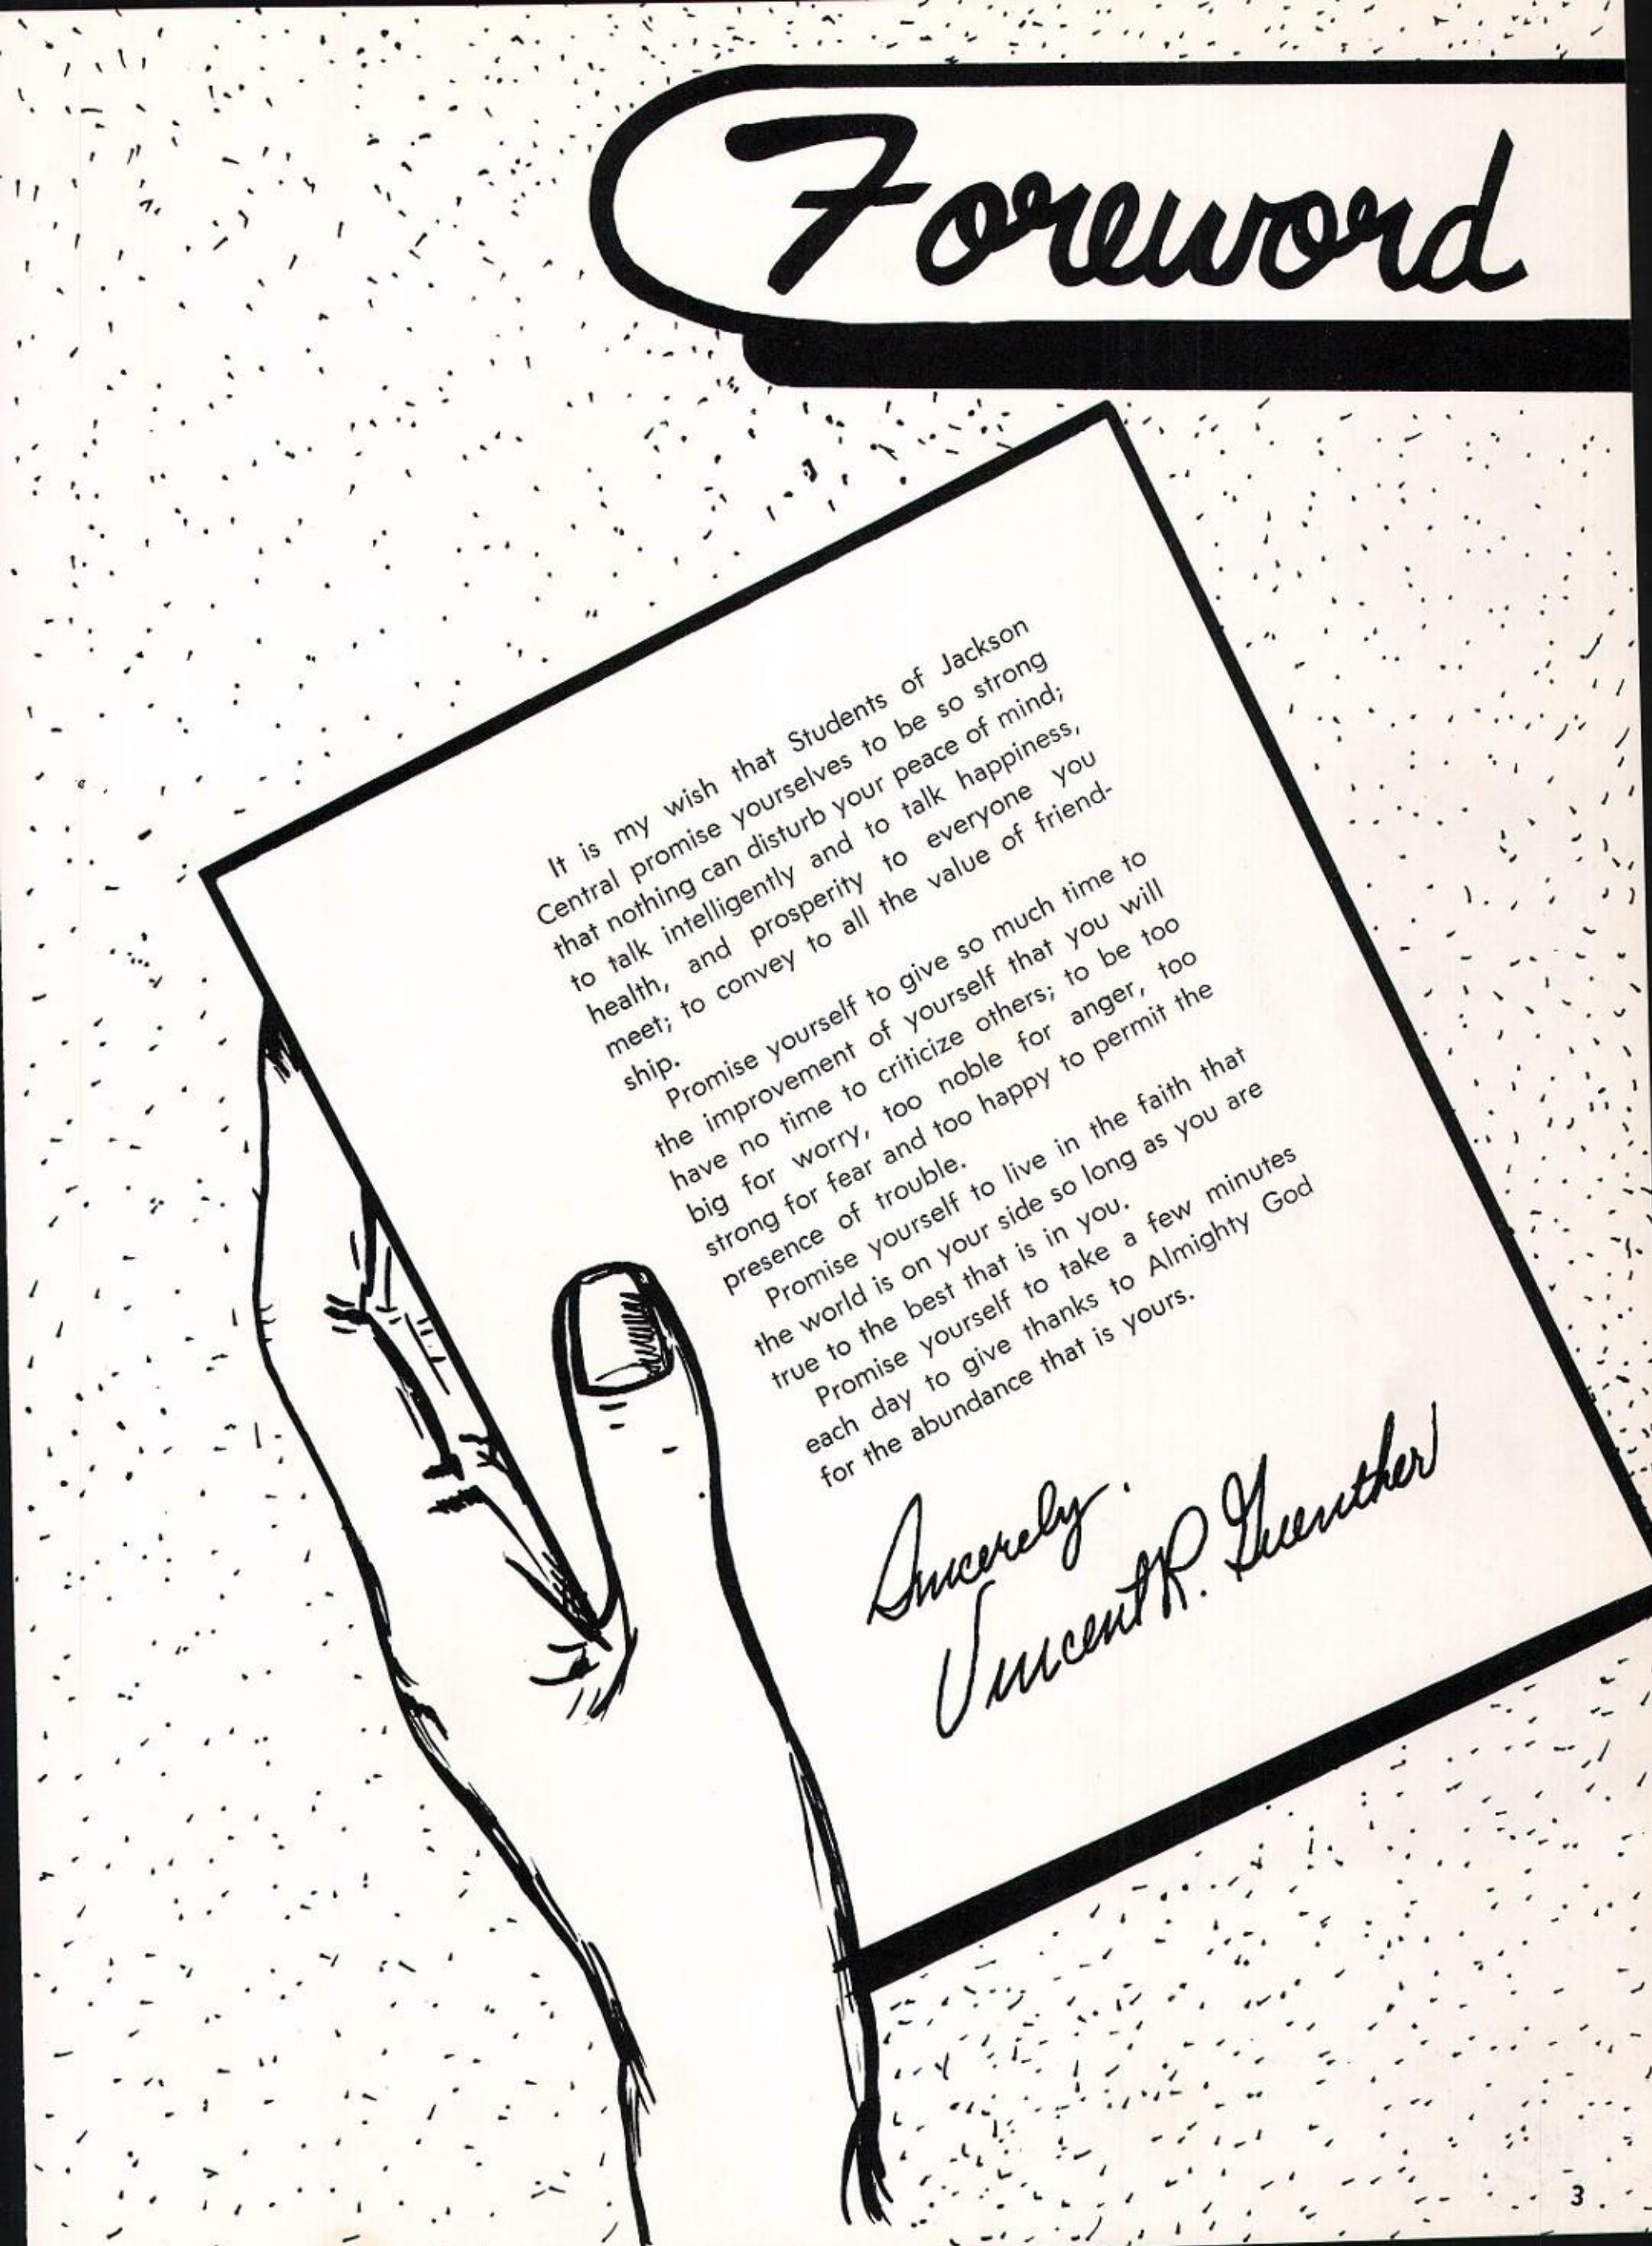
Foreword



It is my wish that Students of Jackson Central promise yourselves to be so strong that nothing can disturb your peace of mind; to talk intelligently and to talk happiness, health, and prosperity to everyone you meet; to convey to all the value of friendship.

Promise yourself to give so much time to the improvement of yourself that you will have no time to criticize others; to be too big for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

Promise yourself to live in the faith that the world is on your side so long as you are true to the best that is in you.

Promise yourself to take a few minutes each day to give thanks to Almighty God for the abundance that is yours.

Sincerely,
Vincent R. Guenther
